

Part No. WCON-29ES2H-01

40GHz 180° 2.92mm(F) 2Hole Flange Connector

Features:

- Low VSWR

Electrical Specification

Frequency	DC-40GHz
Impedance	50 Ohm
V.S.W.R	1.2:1(Max.)
Connector Type	2.92mm Female 2Hole

Mechanical Specification

Durability	500Cycles
------------	-----------

Material Specification

Body	Passivated Stainless Steel
Center Contact	Gold Plated Beryllium Copper
Insulator	PEI

Environmental Specification

Operating Temperature	-55~+125°C
-----------------------	------------

Outline Drawing

Unit:mm(inch)
